SRI LANKA

When: July, 2019

Cost: $2,800

Team Size: 6

Team Leaders: TBD

About the Trip:

Sri Lanka is a largely Buddhist nation, although there is a strong Hindu presence there, as well. It is still considered an unreached nation, as over 40% of Sri Lankans have not yet heard the Gospel. The team will visit workers that serve in their local communities seeking to engage them through unique and creative methods of evangelism.
