

Note from Pastor Jeff...

Dear LifeGroup leaders,

The Seahawks have a week off but if you could have your group pray for the Huskies this week... not really, well they need prayer but I think God has a couple more pressing needs that need to be dealt with, at least that's what Pastor Steve told me to say but he's a USC Trojan fan.

Hey, several things I need to either remind you of or make you aware of so here goes...

- At our Thanksgiving Eve service we are going to do the "Cardboard Testimonies" again. If you were in the service last year you remember how powerful that was. If you know of someone in your LifeGroup who has a testimony of God working in their lives we are looking for dozens of testimonies for that service. Contact Terri if you have any ideas.
- Let me remind you again about our **Super Huddle** on Saturday morning, January 23rd. I'll serve you breakfast and then Pastor Steve has asked for some time to share a special message just for you. After that you can choose from one of several workshops to get the training you need. I'll be sending you more information as we get closer BUT DON'T MISS OUT.
 - ◊ If you have any workshop ideas that would be good shoot us an e-mail.
 - ◊ We are going to be taking pictures of all our LifeGroup leaders – so come looking good. No need to dress up – nice casual attire is just fine.
- Our Sunday Service leadership is looking for help in setting up for Sunday nights. They do a lot of set up to create the environment we enjoy at that service. If you would like to volunteer your group to become a part of the regular rotation to help they are looking for LifeGroups to give an hour or so, once a month (or more if you'd like). People would need to be here from 12:30 to 1:30 **OR** 4:00 to 5:00. It just depends on which service they attend. If they come to second service then they could help setup after the service, and if they come for the evening service then they could help setup early. Contact Kelly Dunlap at the church office regarding questions and getting started.
- Please remember to pray for our "all church" LifeGroup emphasis that is coming in the New Year. Pray for us as we finish selecting the material we will study and pray for more people to step up to lead groups.

I think that's about it. I now turn control of your thinking back to you – after this one last thought. Our LifeGroup is studying a book by John Piper "Don't Waste Your Life". Our quotes of the month come from that book – and God's Book (they fit together). (See below.)

Thoughts for the month...

"Now we see that in creating us for His glory, He is creating us for our highest joy. He is most glorified in us when we are most satisfied in Him." John Piper

"In Your presence there is fullness of joy; at Your right hand are pleasures forevermore." Psalm 16:11
