

Be Devoted to One Another

Romans 12:10 “Be devoted to one another in love.”

After watching the video...

Family Discussion Questions:

1. Tell about a time when someone in your family ‘stood up’ for you. How did that feel?
2. What do you think will eventually happen to a family if they are not loyal to each other, not devoted to one another?
3. What is one thing that I can stop doing- something that I know isn’t being devoted to one another?
4. What are some things that we could do in our family to grow our loyalty and devotion to one another?

Let’s Pray Together

- God says nothing could ever separate us from His love. Thank Him for His love that never changes.
- Ask God to help you be more devoted and stop doing the things that divide each other.
- Ask Him to help us find ways to show our loyalty to one another.
- Ask God to help us be a family that is a godly example of devotion and brotherly love.

Suggestions: Gather your family and ensure that everyone is seated comfortably. Hopefully each member of the family can be seen and heard easily by everyone. Pray together, read the verse for today and then watch the video together. Pause the video after each of the discussion questions and encourage each family member to share. Afterwards, pray together following the suggested prayer points. Hopefully the discussion will continue throughout the day in a natural way. Another idea is to have one parent view the video in advance and then teach the lesson on their own without showing the video to the family.
