

# Equal Concern for One Another

1 Corinthians 12:25-27 “But God has put the body together (He means His church, all of us as believers)... so that there should be no division in the body, but that its parts should have equal concern for one other. If one part suffers, every part suffers with it; if one part is honored, every part rejoices with it. Now you are the body of Christ, and each one of you is a part of it.”

After watching the video...

## Family Discussion Questions:

1. Can you tell about a time when you felt kind of left out, like you didn't belong?
2. Can you remember a time when you didn't pay attention to what someone else wanted, you just thought about yourself?
3. What are some ways that we can listen to one another and show value for each other in our family?
4. What do you think it would feel like to grow up in a family that really cares about everyone in the family the same, equally?

## Let's Pray Together

- Thank God for putting us in a body and giving us all different talents and abilities.
- Ask Him to forgive us for the times we didn't treat others with respect but only cared about ourselves.
- Ask God to help us learn to value every one in our family, really letting them know how much they are needed and loved.
- Ask Him to help us be a family that is like the body of Christ, showing equal concern for one another.

**Suggestions:** Gather your family and ensure that everyone is seated comfortably. Hopefully each member of the family can be seen and heard easily by everyone. Pray together, read the verse for today and then watch the video together. Pause the video after each of the discussion questions and encourage each family member to share. Afterwards, pray together following the suggested prayer points. Hopefully the discussion will continue throughout the day in a natural way. Another idea is to have one parent view the video in advance and then teach the lesson on their own without showing the video to the family.
