

Fellowship with One Another

1 John 1:7 it says, “But if we walk in the light, as He is in the light, we have fellowship with one another”

After watching the video...

Family Discussion Questions:

1. What are some things that we could all do together to serve someone else? Make a list.
2. What day or time during the week would be the best for us all to be together and serve?
3. How can serving together help our family? What would be some benefits?
4. How can we encourage other families to have the same kind of fellowship in their homes?

Let's Pray Together

- Thank God for putting us in this family and thank Him for all the ways they bless us.
- Ask Him to help us serve one another and learn how to serve others all together.
- Ask God to help us look outside of ourselves, outside of our home, and see what He wants us to do to serve.
- Ask Him for opportunities to tell someone else about Jesus.

Suggestions: Gather your family and ensure that everyone is seated comfortably. Hopefully each member of the family can be seen and heard easily by everyone. Pray together, read the verse for today and then watch the video together. Pause the video after each of the discussion questions and encourage each family member to share. Afterwards, pray together following the suggested prayer points. Hopefully the discussion will continue throughout the day in a natural way. Another idea is to have one parent view the video in advance and then teach the lesson on their own without showing the video to the family.
