

Stop Judging One Another

Romans 14:13 “Therefore let us stop passing judgment on one another. Instead, make up your mind not to put any stumbling block or obstacle in the way of a brother or sister.”

After watching the video...

Family Discussion Questions:

1. Can you think of a time when someone judged you and blocked you?
2. What do you think will happen to the person that always feels judged and criticized?
3. What are some things we can do instead of judging?
4. What would our family be like if we totally stopped judging one another and only decided to support one another?

Let's Pray Together

- Thank God for His mercy so that He doesn't judge us the way we deserve.
- Ask Him to help us put away the gavel of judging and learn to be supporters.
- Ask God to teach us how to repair the relationships that we've hurt.
- Ask Him to build a family that really encourages one another.

Suggestions: Gather your family and ensure that everyone is seated comfortably. Hopefully each member of the family can be seen and heard easily by everyone. Pray together, read the verse for today and then watch the video together. Pause the video after each of the discussion questions and encourage each family member to share. Afterwards, pray together following the suggested prayer points. Hopefully the discussion will continue throughout the day in a natural way. Another idea is to have one parent view the video in advance and then teach the lesson on their own without showing the video to the family.
