Hope Arises

Verse 1

God our rock in everything
Our fortress in the storm
Our souls rest in your
promises Your presence is our
hope

Verse 2

We know that you will never
leave Your plans are for our
good
Your purposes will never fail
We trust in you alone

Chorus

In you hope arises
In you we'll overcome Jesus,
our firm foundation Forever
with us

Bridge

My hope is anchored in the
Lord
Who made the heavens and the
earth My future rests in the
palm
Of his sovereign hand
