

It Is Well (My Soul Sings)

Music and Lyrics by Michael Monroe and Koby Orr

Verse 1:

Though you give and take away
Your heart for me is good
You are always good

When I cannot see the way
You promise to draw near
Please come meet me here

Verse 2

When my soul is crushed within
You see me in my pain
You have not forgotten me

When I call upon your name
I know you're always here
Deliverance is near

Chorus

It is well in the mountains and valley's
It is well when the chaos surrounds me
It is well, God wherever you lead me
My soul sings it is well

Bridge

Whatever may come
Your Spirit reminds me you still reign on high
In all you allow
When darkness surrounds me
You are glorified

Verse 3

Holy Spirit have your way
My life is in your hands
I rest here in your plan
