# ECUADOR

When: November 2019

Cost: \$2,800

Team Size: 10

Team Leaders: TBD

About the Trip:

Up to this point, we have only sent youth trips down to Ecuador, but with the addition of several Global Partners in that location, we are eager to send an adult Global Encounter Team! This team will engage with the work our partners are doing in the community with the local churches in one of the poorest countries in the Western Hemisphere. Ministry opportunities may include park outreaches, VBS, small construction projects, bible studies, etc.
