# JAPAN

When: December 2019

Cost: \$2,900

Team Size: 6-8

Team Leaders: TBD

About the Trip:

Japan is one of the most unreached & unchurched nations in the world, with less than 1% of the population claiming Christianity as their religion. Our Global Partners have been working for many years to engage the uninterested community, and having teams come and support them is a huge source of encouragement. Ministry activities might include Christmas outreaches, bible studies, clean up projects, and encouragement for the workers there.
