

HELPFUL INFO FOR HSM PARENTS

LEADERS: We prioritize placing students with their Life Group leaders. If Life Group leaders are unable to come, we place them with another leader that we believe is fit to join our student team. Each leader coming to camp has filled out a theological questionnaire, passed a background check, and has met individually with someone on our Student Ministry staff. Leaders coming to camp have all indicated a clear love for students and the Lord.

CABINS: Because we have such a high value for developing biblical community, cabin groups are formed with students who are members of their Life Group. When a student registers, they can request a couple of friends to room with and if a student is not in a Life Group, we will place them in a cabin with at least one of those friends. All cabin groups are formed by grade and gender.

TRANSPORTATION: We are taking vans! All our drivers have passed our driving record test and are on the church's insurance.

SILVERWOOD: Students will be with their cabin group and at least one leader for the duration of the time at Silverwood. We will have a couple "check-in" moments during the day to help make sure each group and student is accounted for. No student will be forced or guilted into riding a ride they don't want to.

INJURIES/SICKNESS: We have a camp nurse that can help with basic injuries and will contact student's emergency contact if student needs extra care or any medications. If a student is homesick, we would pray with them and encourage them join in during activities and small group time and hopefully those feelings will pass. If they do not, we will reach out to the parent/guardian to see how they would like to move forward.
