March 24, 2024 James 5:19-20

### **START TALKING | *Get your group thinking.***

1. What has most influenced you in this series on the Book of James?
2. What are some of the symptoms that indicate a person is wandering from the truth?

### **START SHARING | *Get your group engaging with the message.***

Read James 5:19-20

3. Pastor Steve related two kinds of wanderings from the truth. Explain what these are and how they are related. See John 3:20-21.
  - a. Theological or doctrinal truth
  - b. Moral truth
4. Pastor Steve said we wander individually, gradually, and dangerously. Explain how these occur. See Proverbs 4:23, Col 3:1-2, 2 Timothy 4:3-4.
5. How did Pastor Steve use the words from *Come, Thou Fount of Every Blessing* to underscore why we need to rescue wanderers?
6. How does Proverbs 27:6 express the attitude we should have when we have been wandering and we attempt to rescue others?

### **START LIVING | *Get your group applying God's Word to daily life.***

7. Evaluate your doctrine and actions to see if you are vulnerable to wandering. Ask members of your group for honest feedback. See Psalm 139:23-24.
8. Is there someone in your life who needs to be rescued? How can you and your group help?
