Preach the Word - 2 Timothy 4:1-5

October 20, 2024

START TALKING | *Get your group thinking.*

1. When you think about someone preaching the Word, what do you expect should happen?
2. How does the Gospel address the problems in our society?

START SHARING | *Get your group engaging with the message.*

Read 2 Timothy 4:1-5.

3. How do Isaiah 41:10 and Hebrews 1:3 express the first thing we must learn from the Word of God?
4. How does 2 Timothy 3:16-17 tell us what God expects from us?
5. What is there in the Bible that gives us the only hope for our society?
6. In what ways did Pastor Koby say we should unapologetically preach the Word boldly even where it is not popular?

START LIVING | *Get your group applying God's Word to daily life.*

7. Pastor Koby challenged us to read the Word more and to 1) be gracious with yourself, 2) make it enjoyable, and 3) to aim for progress, not perfection. What do you need to do read the Word more?
8. Pastor Koby also challenged us to memorize the Word. How are you doing with this and how can your Life Group help?
