Put on Humility – Colossians 3:12

March 15, 2026 / Pastor Koby Orr

START TALKING | *Get your group thinking.*

1. What's one everyday situation where it's hardest for you to let someone else go first? (i.e. merging in traffic, the last dessert, picking the movie, etc.)

START SHARING | *Get your group engaging with the message.*

2. Humility begins with recognizing that "God is God and we are not." Why is that understanding foundational to biblical humility?
3. Pride is the foundational sin on which every other sinful habit and attitude is built. Why do you think pride has such a powerful influence on our attitudes and actions? What are some other passages in scripture that warn about pride?
4. Philippians 2:3-8 shows Jesus as the ultimate example of humility. What aspects of Jesus' actions in that passage demonstrate what true humility looks like?
5. Humility has both a vertical element (toward God) and a horizontal element (toward others). How do the passages in Colossians 3 and Philippians 2 connect those two ideas?

START LIVING | *Get your group applying God's Word to daily life.*

6. Pride often shows up in subtle ways (i.e. defensiveness, judgement, lack of prayer) rather than obvious ones. What are some everyday situations where pride tends to surface in your attitudes or reactions?
7. What are some practical ways you could demonstrate humility toward the people you interact with every day?
