Putting On The Word – Colossians 3:16-17

May 24th, 2026 / Pastor Koby Orr

START TALKING | *Get your group thinking.*

1. What do you think most competes for influence in people's lives today instead of the Word of God? (Could be culture, emotions, politics, social media, etc.)

START SHARING | *Get your group engaging with the message.*

2. Paul says, "*Let the word of Christ dwell in you richly.*" What do you think Paul means practically when he says the Word of Christ should "dwell" in us rather than simply inform us?
3. Why do you think Paul connects the indwelling Word of Christ so closely in worship, thankfulness, and community life instead of treating Bible knowledge as merely personal or intellectual?
4. The Big Idea was "The Word of God was never meant to visit our lives occasionally – it was meant to rule our lives completely." What do you think is the difference between God's Word visiting someone's life versus dwelling richly in them?
5. How is someone's life different when scripture is something they occasionally reference versus something that truly shapes the way they think and live?

START LIVING | *Get your group applying God's Word to daily life.*

6. What is one voice, habit, or influence in your life right now that tends to compete with God's Word for your attention and trust?
7. What would it practically look like this week for the Word of Christ to "dwell richly" in your daily life – not just during church or Bible reading, but in your relationships, attitude, or decisions?
