2. The world, the devil, and our own flesh are all enemies when it comes to temptation. Why is it so easy to blame the first two (or other people) instead of our own desires? (See James 1:14.)

3. Sin always promises something good. What are some lies that sin tells us? What do James 1:15 or Proverbs 7:22 show about the real cost?

4. Pastor Koby warned that sin is never satisfied and grows if we tolerate it. Why do you think small compromises are so easy to excuse? (See 1 John 1:8.)
